## Memorandum

To Bruce Boxberger, City Attorney Date 9/17/81  
From Philip R. Boller, Director of Water Resources  
Subject Renaming of Water Pollution Control Plant

COPIES TO:

Neil Wisler  
Mayor Moses

As I have mentioned to you before, it is our desire to rename the Water Pollution Control Plant in honor of our former Superintendent, Mr. Paul L. Brunner. I understand that this would take a Resolution or an Ordinance and I am asking the Law Department to put this together for us. Richmond, Indiana did this same thing and I have attached a copy of a letter from Richmond relating how their Resolution read.

Mr. Neil Wisler, who is presently our Superintendent at the WPC Plant, can help out with information concerning Mr. Brunner. Neil's telephone number is 7285 or 7261. If I can be of any assistance, please let me know.

Re: \_\_\_\_\_

Please excuse the messiness of this letter, the secretaries are extremely busy and I am typing this. The resolution is on a parchment paper (18" x 22") with the seal of the City of Richmond embossed in gold on the bottom. It is printed in a beautiful script in black.

By This Resolution - Let It Be Known

WHEREAS, Mr. Edwin Ross has been the Superintendent of the Sanitary Department of the City of Richmond, Indiana, since 1935 and  
WHEREAS, under his supervision the treatment of the City's waste has progressed from formerly no processing to a highly developed and modern treatment of sewage and  
WHEREAS, the City's effluent after sewage treatment now passes into the Whiteater River relatively free from impurities and  
WHEREAS, Mr. Edwin Ross has made a singular contribution toward ecology in the City of Richmond, Indiana, and  
WHEREAS, the grace and gentle good wit of Mr. Edwin Ross are now and have been a pleasure to many City administrations their political viewpoint notwithstanding, and  
WHEREAS, the most recent phase in the development and expansion of the wastewater treatment plant, 5 - year effort, was completed on May 21, 1972, and  
WHEREAS, it is fitting and proper that the wastewater treatment plant of the City of Richmond, Indiana, be named in his honor,  
NOW THEREFORE, Be it Resolved by the Board of Sanitary Commissioners of the City of Richmond, Indiana, this 22nd day of May, 1972, that the wastewater treatment plant of the City of Richmond, Indiana, shall be named as follows:

The Mr. Edwin Ross Wastewater Treatment Plant

This was signed by the Mayor and the Board of Sanitary Commissioners with the seal at the bottom. Again, sorry for all of the lousy typing - hope you can read this.

Sincerely,

*Susan Higginbotham*
